Scientific Program

Scientific Program shall cover :

1. World Lupus Day
2. Rheumatoid Arthritis
3. Gout
4. Osteoarthritis
5. Vasculitis
6. Spondyloarthopathy and
7. Fibromyalgia

There shall be two innovative programs. These two programs are based on superhit TV serial: 'Game of Thrones' and movie 'Clash of the Titans'. The format of program will be as follows:

Game1 Day 2.

Game of Thrones - Who is the King of Rheumatology?

6 applicants will speak on the Statement assigned to them.

Every speaker will get 10 minutes to speak.

A Panel of Judges, other speakers and Audience get 10 minutes to counter or question the speaker. After all 6 Speakers have spoken the speakers will get another 3 minutes to rebut.

The Panel of Judges decides the King on the basis of who spoke the best, had the best arguments and rebutted the best. The King will be seated on the Iron throne and crowned. There will be another prize for the person voted as the King by the audience.

Nominations are invited for contestants for the Throne. Participants may self nominate themselves. They should indicate their preference for subjects RA, SLE, SPA, Gout, Osteoarthritis, and Fibromyalgia.

Game 2 Day 3.

Clash of the Titans

The country will be divided in 4 zones. East, West, North and South. Teams will be named as Dr. Sukumar Mukherjee's team, Dr. V. R. Joshi's team, Dr. A. N. Malaviya's team, and Dr. A. N. Chandrashekran's team. These Titans will select their teams and the Team leader.

Each team will present a case, which shall be analysed by another team. The Analysing team will be assessed. The Analysing team gets 5 minutes to discuss amongst themselves. The team leader of the analyzing team will decide who will discuss the case from his/her team. The Panel of Judges, other teams, and audience will be free to find discrepancies in diagnosis and plan of management.

The Panel of Judges will decide the Winners based on who analysed and fielded the questions best. There will also be a prize for the best case.

CELEBRATING RHEUMATOLOGY

Date : 10th - 12th May 2019

Venue : Scientific Convention Centre, Lucknow

Organized by

Society for Osteoarthritis Research &
Department of Rheumatology

K.G. Medical University, Lucknow, Uttar Pradesh, India

Dear Colleague,

The Department of Rheumatology KGMU, Lucknow invites you to the "Celebrating Rheumatology" and "World Lupus day" on 10th, 11th & 12th May 2019 on the occasion of completion of 32 years of Rheumatology at King George's Medical University, Lucknow.

We are planning to celebrate the work and achievement of our founder Head, Prof Siddharth Kumar Das, who demits office shortly on attaining superannuation after serving Rheumatology for 32 years. On this occasion, Department of Rheumatology is organizing an International symposium on Rheumatology. There will be a galaxy of National and International speakers presenting their views on different aspects of Rheumatology including Rheumatoid Arthritis, Systemic Lupus Erythematosus, Spondyloarthropathy, Systemic Sclerosis, Vasculitis, Osteo-arthritis, Crystal Arthropathy, Fibromyalgia and other Soft Tissue Rheumatism.

Lucknow is the city of Nawabs and is known for its Nazakat, Tehzeeb and Food, including Biryani and Kebabs. The dance form of lucknow is Kathak, one of the famous dance forms of India. 'Chikan' & 'Zardozi' embroidery is one of the finest embroideries of the world produced by artisans of Lucknow. Lucknow has lots of historical buildings in the Mughal and Indo-Sarecenic style with a lot of modern buildings and parks. The Imambara and labyrinth will enchant one of your mornings.

One of the seven wonders of world - Taj Mahal and Buddhist pilgrimage point Kushinagar are just four hour drive each from Lucknow. Oldest living city of the world "Kashi" (Varanasi) is six hours drive from Lucknow.

We look forward to welcoming you in Lucknow for this grand feast of academics, fun and tourism..

Best wishes
