OACON 2019

3 & 4 AUGUST 2019

Dear Colleagues,

Osteoarthritis is a common cause of musculoskeletal disability worldwide. A multi-disciplinary approach helps optimise treatment outcomes in patients with osteoarthritis.

The Karnataka Chapter of Indian Rheumatology Association is proud to organise an **International conference on Osteoarthritis - OACON 2019** - in association with the Society for Osteoarthritis Research.

OACON 2019 will be held in **Bengaluru on August 3-4, 2019**. Several international and national researchers on osteoarthritis will be deliberating on a wide range of topics concerning basic research and clinical management of OA.

Physicians, orthopedic surgeons, physiotherapists, rheumatologists, family physicians and post-graduate trainees are invited to participate in this conference.

We look forward to see you in OACON-2019, Bengaluru!
